

September 23, 2026

Hello parents/guardians,

We are excited to share that Panorama Hills School will be offering an Alien In-line Skating program for our students!

Our in-line skating residency will take place from October 1 to October 23. All sessions will take place in our school gym.

Each class will participate in three skating sessions, with each session lasting about one hour. The specific dates that your child's class will be participating will be shared by your child's teacher in their weekly email message. The program is designed to provide students with an opportunity to develop their balance, coordination, skating skills, and confidence in a fun and supportive environment.

Program Details:

- Each class will receive three one-hour skating sessions.
- Location: Panorama Hills School gym
- In-line skating equipment & instruction will be provided by Alien In-line.
- All equipment is provided, but families are encouraged to send their child's own helmet if they have one.
- The program is free for all students, thanks to the generous support of our Panorama Hills School Council.

Please review the information on the Acknowledgement of Risk and Consent of Parent or Guardian form attached, sign it, and **return the signed form to your child's teacher by Monday, September 28th.**

Thank you for your continued support. We look forward to seeing our students have fun, stay active, and build their skating skills! Please let us know if you have any questions.

Sincerely,

Kim Manser
Acting Principal, Panorama Hills School
